Thank you for downloading my review policy.  
Here's a little about myself and why I should  
review your book:

Hi, I'm Lois.

I'm a professional reader, book reviewer, blogger, content creator and editorial expert from London. I've always been passionate about reading and fiction writing and I love sharing that passion, by helping authors to make their stories captivate and flourish.

I'm an avid reader of all genres from Political Non-fiction to Fantasy, Sci-fi to Romance and everything in between! So you don't have to worry about your book not being suited to my preferences.

I've been a professional reader, book reviewer and blogger for 5 years. I have over 3 years' experience in content creation, video and story editing. For the last 3 years, I have also worked closely with one of the biggest UK-based book recommendation brands; [LoveReading](#) as a Book Ambassador and more recently as an Editorial Expert.

I have had the privilege of working with some really talented authors over the years and I'm so excited at the prospect of working with you to make your story truly stand out and reach its full potential. Please see below for more details on how you can get your book reviewed with LoChanreads.

Best Wishes,  
Lois Cudjoe
